

## Stefania Fersini

(Italian, b. 1982, lives in Torino, Italy)

Born in Aosta, Italy in 1982, Stefania Fersini currently lives and works in Torino, Italy. Fersini studied at the School of Art in Aosta and at the Architecture College in Torino. She is part of the Italian collective of artists and designers Nucleo, which is active in the fields of contemporary art, design, and architecture. Nucleo's design has been exhibited worldwide at institutions ranging from the Centre Georges Pompidou in Paris to the MoMA in New York. Fersini's work has been shown in solo exhibitions across Italy and the US, and in group exhibitions in Italy, France, Germany, Belgium, the UK, and the United Arab Emirates, including the Fondazione Sandretto Re Rebaudengo and Fondazione Querini Stampalia. Her work has been acquired by the Fondazione Benetton, Museo Casa Mollino and Casa Fornasetti.
